WELCOME LETTER

TRAVIS AFB, CA

Welcome to Travis Air Force Base, California, home of America's finest mobility force and the 2019 "Thunder Over the Bay" Air Show. It is our distinct pleasure to welcome our friends and neighbors, from the entire Northern California region and beyond, for a display of American air superiority, and to honor our hometown heroes, whose acts of heroism and selflessness have helped save countless lives and protect the places we call home.

As the largest base in Air Mobility Command, we are leaders in rapidly projecting American power anytime ... anywhere - delivering hope, fueling the fight, and saving lives anywhere in the world in a matter of hours.

In addition to the strategic airlift, air refueling, and aeromedical evacuation missions provided by the active duty 60th Air Mobility Wing and the reserve 349th Air Mobility Wing, the 621st Contingency Response Wing provides an alert force ready to deploy within a moment's notice to advise partners, command and control mobility forces, and open an entire airfield to support military and humanitarian operations around the world. Our three wings, together with more than 50 on-base partner organizations, work as one team—Team Travis—to provide true Global Reach to America and its allies.

Accomplishing our mission would not be possible without the incredible support from our fellow citizens in the community—Thank You! We are fortunate and grateful to enjoy exceptionally strong, mutually beneficial partnerships since our airfield opened in 1943. Our community understands Travis AFB's critical role in enabling worldwide military operations and helps us prepare for the challenges of tomorrow. For these many reasons, we are pleased to open our base to you for the air show.

Every day, our C-5 Super Galaxy, C-17 Globemaster III, and KC-10 Extender aircraft and their crews, along with our Contingency Response Airmen, fly over Solano County on their way to deliver critical supplies and support around the world. You will have the opportunity to see these aircraft and many others up close. Additionally, there will be aerial performances by the U.S. Army Golden Knights parachute team, Parade of Heavies (your very own Team Travis aircraft), F-22 Demo Team, Patriots Jet Team, and the world-renowned American Ambassadors in Blue, the U.S. Air Force Thunderbirds.

We are excited that you have joined us for this celebration of airpower. Throughout the entire event, we encourage you to interact with our hometown heroes and tour all the many exhibits that will be on display. On behalf of all of Team Travis, we thank you for your continued support of Travis Air Force Base and hope you enjoy "Thunder Over the Bay!"

LEADERSHIP

Col. Jeffrey Nelson
Commander, 60AMW

Col. Raymond A. Kozak
Commander, 349AMW

Col. James B. Hall

TRAVIS AIR FORCE BASE
FORCE
SUPPORT SQUADRON

USAF THUNDERBIRDS

FUN FACTS:

- The Thunderbirds are officially known as the U.S. Air Force Air Demonstration Squadron.
- Officially activated June 1, 1953 at Luke AFB, AZ.
- Current home for the U.S. Air Force Thunderbirds is Nellis AFB.
- Their mission is to plan and present precision aerial maneuvers to exhibit the capabilities of modern, high-performance aircraft and the high degree of professional skill required to operate those aircrafts.
- The Air Combat Command unit has eight pilots (including six demonstration pilots), four support officers, four civilians and more than 100 enlisted personnel performing in almost 30 job specialties.
- The pilots perform approximately 40 maneuvers in a demonstration.
- More than 280 million people in all 50 states and 57 countries have seen the red, white and blue Thunderbirds jets in more than 3,500 aerial demonstrations.

For more information, please visit
<http://afthunderbirds.com>

US ARMY GOLDEN KNIGHTS

FUN FACTS:

- Golden Knights are Army Soldiers first.
- Started in 1959, Brigadier General Joseph Stilwell Jr. gathered nineteen Airborne Soldiers from various military units formed the Strategic Army Command Parachute Team (STRACT). The intent of competing in skydiving - at that time dominated by the Soviet Union.
- In 1962, they earned the nickname "Golden Knights". "Golden" signified the gold medals the team had won while "Knights" symbolized the ambition to conquer the sky.
- The team has conducted more than 16,000 shows in 50 states and 48 countries reaching an average 60,000 people per show.
- The team is made of about 95 men and women (four parachute units, an aviation unit and headquarters).
- The team has earned 2,148 gold, 1,117 silver and 693 bronze medals in national and international competitions.
- The team has broken 348 world records.

USAF F22 RAPTOR DEMO TEAM

FUN FACTS:

- The team's home is located at Langley AFB, VA.
- They are known to perform precise aerial maneuvers to demonstrate the unique capabilities of the fifth-generation fighter aircraft.
- They team up with Air Force Heritage flight, exhibiting the professional qualities the Air Force develops in the people who fly, maintain and support these aircraft.
- Leadership include Maj. Paul "Loco" Lopez (F-22 Demo Pilot), MSgt Emanuel Knowlton (F-22 Demo Superintendent) and TSGT Yamil Reyes Sanchez (F-22 Demo Team Chief).
- The F-22 Raptor is the Air Force's newest fighter aircraft - it has the combination of stealth, supercruise, maneuverability and integrated avionics.
- The F-22 cannot be matched by any known or projected fighter aircraft.

PATRIOTS JET TEAM

FUN FACTS:

- The Patriots Jet Team is the largest civilian-owned aerobatic jet team in the western hemisphere.
- The team began with the vision of one person, Randy Howell. Howell's mission was to create a six-jet precision demonstration team that could entertain, inspire and educate.
- In 1999, the first Patriots aircraft was purchased. Additional jets were purchased in 2004, 2005 and 2011.
- The talented pilots of this group first assembled in 2002.
- They are based in Byron, CA.
- The pilots were formerly part of the U.S. Air Force Thunderbirds and U.S. Navy Blue Angels.
- The pilots have logged over 105,000 hours of flight time and performed in more than 1,500 air shows.
- The volunteer pilots all share the same passion to entertain audiences at air shows and other events.

C-17 GLOBEMASTER III DEMO TEAM

FUN FACTS:

- The Demonstration Team is hosted by the 15th Wing at Joint Base Pearl Harbor-Hickam and 3rd Wing at Joint Base Elmendorf-Richardson, AK.
- Main mission is to showcase the capabilities of the C-17 Globemaster III.
- Showcases next level flight with precision and speed.
- The team is made up of a four-person team.
