

2019 Travis Air Show Hometown Heroes Flight C-17 Globemaster III

The 60th Air Mobility Wing Public Affairs office would like to offer an additional Hometown Hero flight opportunity on a C-17 Globemaster III, which will be performing a training mission over the bay area and will include views of the bay throughout the flight. This program is designed to showcase American citizens doing amazing things in their communities, paralleling the amazing efforts put forth by America's Airmen every day. Heroes might include, but are not limited to: an average citizen who heroically saved a life, a renowned teacher, a community humanitarian volunteer, a local firefighter, a paramedic or police officer, one who mentors children or volunteers as a coach or tutor in a youth program, or someone who dedicates their life to working with at-risk children. This flight has more space than the other two opportunities, however, it will be on a first-come first-serve basis. Please include a reason for the nomination and a bio picture along with this application.

*If you would like to submit someone for this media flight, please review the requirements and fill out the form below. These need to be emailed back to 60AMWPA@us.af.mil, tonya.racasner@us.af.mil or amber.carter.3@us.af.mil by Feb. 28, 2019.

Requirements

- Be appropriately dressed with closed-toe shoes
- Age limit = must be at least 18 years old
- Must be available during March as dates are TBD
