

2019 Travis Air Show Hometown Heroes Booth

The 60th Air Mobility Wing Public Affairs office would like to offer an additional opportunity to be part of the Hometown Hero Booth during the air show, which will offer a chance for our Hometown Heroes to interact with air show attendees. This program is designed to showcase American citizens doing amazing things in their communities, paralleling the amazing efforts put forth by America's Airmen every day. Heroes might include, but are not limited to: an average citizen who heroically saved a life, a renowned teacher, a community humanitarian volunteer, a local firefighter, a paramedic or police officer, one who mentors children or volunteers as a coach or tutor in a youth program, or someone who dedicates their life to working with at-risk children. Please attach a reason for the nomination and a bio picture along with this application. Before and during the air show, we will highlight Hometown Hero stories through online pamphlets and as announcements in between acts.
